

Wooster Painter Premiums • Instructions & Order Form

In any year of the program, receipts dated January 1 to December 31 may be redeemed any time prior to December 31 of the following year. For example, receipts dated January 1 to December 31, 2016 may be redeemed no later than December 31, 2017. You have a full year to earn a premium, and you can "bank" receipts as well!

Receipts must identify purchaser, store name, and price paid for Wooster products.
2. Copies will be made and surplus purchase totals will be banked in an account for later use.
