

# pro/doo-z FTP

Shed-resistant, non-matting, and better paint flow, Pro/Doo-Z FTP has everything you want in a roller for flawless results, and more! New HydroFlow® technology enables the cover to release paint smoothly and consistently. It makes painting easier because there's no need to go back and rework an area to get perfect coverage. The dense, proprietary fiber construction retains bounce-back and offers superior finish quality with all paints.

- Shed-resistant & high density for today's paints: flat, eggshell, satin, semigloss, gloss, enamels, primers, urethanes, epoxies
- HydroFlow technology provides controlled release to improve paint flow
- Wooster-exclusive fabric with golden double pinstripe for smooth finish, great capacity
- Green double-thick polypropylene core resists water, solvents, and cracking
