

Cirrus X roller covers feature a European polyamide yarn fabric that's soft, resilient, easy to load, and holds a lot of paint. They are designed with extra capacity and durability to help tackle rough and even extra-rough surfaces—making them great for applying base coats and finish coats, as well as, back rolling textured surfaces such as stucco or brick. Use these roller covers with all flat, eggshell, and satin paints to achieve fast and complete coverage.

- Polyamide yarn fabric designed for all flat, eggshell & satin paints
- Extra capacity & durability for rough and extra-rough surfaces
- Green, double-thick polypropylene core resists water, solvents & cracking
