

## **SHERGRIP® ROLLER FRAME**

# **PREMIUM PERFORMANCE, PREMIUM LOOK**

Achieve quality results with high-quality tools. The Wooster® Shergrip® is designed with a soft-grip handle for superior ergonomics & comfort. The heavy-duty chrome-plated shaft ensures durability, while the sturdy 5-wire cage maintains its shape for smooth, even rolling. A threaded end for extension poles and a Quik-Click™ connection for Sherlock GT® compatibility makes it perfect for tackling high-to-reach areas. Built for convenience and reliability, Shergrip® is your go-to roller frame for any painting project.
